Medical Enabling & Emerging Technologies (MEET) Showcase

Apply Now to be Selected for a Complimentary Exhibit in the MEET Showcase at RAPID + TCT 2020

RAPID + TCT 2020 will feature a showcase on the exhibit floor for new, innovative companies impacting medicine and patient care. The Medical Enabling and Emerging Technologies (MEET) showcase will allow you to meet other industry professionals and share your discoveries and progress. With guidance from SME's Medical Additive Manufacturing Advisor Workgroup, the MEET showcase will select eight companies to share their technology with the 5,000+ attendees expected at **RAPID + TCT 2020**.

Application Deadline:
January 17, 2020
