Safety Policy

The National Center for Defense Manufacturing and Machining (NCDMM) continues to monitor Centers for Disease Control and Prevention (CDC) guidance and state and local policies during the COVID-19 Pandemic. The safety and well-being of attendees, exhibitors, and staff at events sponsored by NCDMM (collectively, Event Attendees) is NCDMM's top priority. NCDMM will endeavor to follow best practices and implement preventive measures to reduce the spread of the COVID-19 virus, and Event Attendees must follow all posted instructions while participating in NCDMM events. Despite these efforts, under no circumstances is NCDMM able to guarantee that Event Attendees will not become infected with the COVID-19 virus while attending NCDMM events. COVID-19 is extremely contagious and can lead to severe illness and death, and there is a risk of exposure to COVID-19 in any place where people are congregating.
